

Newsletter 6:

15th December 2017

#Reading #Village #Outdoors

Dear Parents, Carers, Family and Friends of [Streatley Primary School](#),

This term has been full of so many exciting days and it has been great visiting classes and looking at their books – good strong progress. All Streatley children reported that their learning is challenging, that they don't like to give up and they are very proud to be part of the school.

Excellence

I have read many nominations letters from across the school for the prestigious Improvers' award and the Excellence in maths and English awards. I look forward to sending these letters home next week and letting the children and parents know if they have won overall.

The children who are awarded the trophy will be awarded it in an assembly on the first Friday back after the winter break, Friday 5th January @2:30pm.

Communication

Please enter via the office if running late; using the gates after it has been closed by staff compromises the site's safety for all. Also, do not open gates to come in early – No adult in bright yellow = no entry.

Safety

1. Thank you for following the safety information we issued in the last newsletter about not parking on the junction. Please remember to share this information with whoever occasionally does drop off or picks up for you too.
2. We are a **nut free** school due to severe allergies – this includes after school club snacks.

Community

This weekend I am joining the choir to sing at a Streatley and Goring Golf Club Christmas lunch. This is our first public performance for a social event. We wish them good luck.

Please join FoSS in the outdoor classroom area on Wednesday, December 20th from 3:00-3:30 to celebrate the end of term. Teas, coffees, hot chocolates, and possibly a few Christmas treats will be on sale, so don't forget your spare change!

Christmas wishes and a happy new year from us all @StreatleySch,

Miss L Roberts
Headteacher
