

**Year 2 Spelling Homework      Spring 1 2021**

In Year 2, the children will continue to have weekly spellings to focus on and they will be tested on them on a **Wednesday**. The words will either focus on a spelling pattern that we have been covering in school or some of the Common exception words that they are expected to know by the end of the year. Whilst these spelling checks are relaxed, we would of course welcome your support in helping them to learn their spellings at home. Regular and often usually works best. There are many ways to practise spellings and some ways will suit your child better than others. A popular method is “Look, Read, Write, Check”. Please see our class page for some useful websites.
