

Key Instant Recall Facts

Year 2 Summer 2

I know the multiplication and division facts for the 5 times table.

By the end of this half term, your child should know the above recall facts.
The aim is to recall the facts **at speed without needing to work them out.**

$1 \times 5 = 5$	$5 \div 5 = 1$
$2 \times 5 = 10$	$10 \div 5 = 2$
$3 \times 5 = 15$	$15 \div 5 = 3$
$4 \times 5 = 20$	$20 \div 5 = 4$
$5 \times 5 = 25$	$25 \div 5 = 5$
$6 \times 5 = 30$	$30 \div 5 = 6$
$7 \times 5 = 35$	$35 \div 5 = 7$
$8 \times 5 = 40$	$40 \div 5 = 8$
$9 \times 5 = 45$	$45 \div 5 = 9$
$10 \times 5 = 50$	$50 \div 5 = 10$
$11 \times 5 = 55$	$55 \div 5 = 11$
$12 \times 5 = 60$	$60 \div 5 = 12$

For this KIRF, they should be able to answer these questions in any order, including missing number questions such as $? \times 5 = 30$

- The secret to success is practising little and often.
- Can you practise the facts whilst walking to school or on a car journey?
- Play online games such as Hit the Button- Times Tables questions
- <https://www.topmarks.co.uk/maths-games/hit-the-button>

Key Vocabulary:

Multiply/ times/ lots of/ groups of

Divide/ share/groups/ equal groups
