

24th May 2021

Dear Parents / Carers of Year 5 children,

**Streatley and Curridge Primary Year 6 Residential Trip 2022**

Our aim at Streatley is to provide the children with a French experience that incorporates the language, culture and physical education usually associated with year-end residential. In 2019 we took our Year 6s to Château du Tertre, Normandy, France. We visited amazing sites of interest, bought food and gifts from local indoor and outdoor markets and as well as enjoying the physical games back at the site e.g. canoeing, climbing and abseiling. Due to the pandemic, we cannot secure insurance for any future cancellations that may occur, so we have decided to look into trips within the UK to remove the risk around foreign travel.

We will be investigating the option of taking the children to a PGL facility or another provider within 2-3 hours of the school for 5 days departing around the middle of June 2022, depending on availability and insurance options. This does not include a weekend. Staff who attend residential stays are not paid for their care time and they too leave families behind. We are estimating the whole trip, which includes accommodation, travel, food and activities to be estimated at around £450 due to recent years and potential increases in coach travel and due to Covid restrictions.

There will be the option of either paying the whole amount in full by the end of September 2021 or by paying 9 installments at approximately £50 per month, with the 1<sup>st</sup> installment being due in September 2021 through to Jun 2022 (with the exclusion of December 2021).

The residential trip is an experience that stays positively in their memory as enjoyable, challenging and exhilarating time of their life. Every child comes back with increased confidence and improved relationships with adults and peers. The children will all experience the varied landscape of the local terrain linked with the site in a way that makes them laugh, cry and preserve for their peers or new friends.

I would be grateful if you could return the attached slip to the office at your earliest convenience, so we can determine if this trip will be viable.

Kind Regards

Miss Roberts  
Headteacher
