

## Year 1 Spellings

Summer 1 2024

Please learn the following spellings at home. Spelling tests for the summer term will be a **Wednesday**. When practising please ensure that they are **forming each letter correctly**, starting each letter in the correct place and sitting their letters on the line.

If you would like to extend their learning further, practise writing sentences using the spelling words within them. Do they use finger spaces between words, a capital to start the sentence and a full stop to end it?
