

Year 2 Spellings – Summer 1 2024

In Year 2, the children will continue to have weekly spellings to focus on and they will be tested on them on a **Thursday**. You may notice an increase in difficulty, this is to ensure full coverage of the high demands of the Year 2 spelling curriculum. The words will focus on the alternative spellings for each sound. Whilst these spelling checks are relaxed, we would of course welcome your support in helping them to learn their spellings at home and discussing the different ways of spelling the same phoneme (sound). Regular and often usually works best. There are many ways to practise spellings and some ways will suit your child better than others. A popular method is “Look, Read, Write, Check”. We would recommend that you find the way that best suits your child.
